

## PIPE HEATERS, VALVE HEATERS & INSTRUMENTATION

*Weatherproof your business with Powerblanket® pipe, valve, and instrumentation heaters.*

These advanced heaters offer freeze protection for your entire pipe & manifold system. The simple design eliminates the need for expensive work crews to install or remove heat trace and insulation.

### *Why Choose Powerblanket® Pipe and Valve Heaters?*

- Reduce downtime and increase profitability
- Eliminate need for alternative emergency services or steamers
- Protect instrumentation from freezing to ensure accurate data retrieval
- Sustain valve functionality
- Freeze protection down to  $-40^{\circ}\text{F}/-40^{\circ}\text{C}$
- Save on labor costs through easy installation and removal
- Custom designed to fit any application
